Editor Note

I'm really excited about 2020!

When I first started RHK Productions in 2009, I had no idea we would accomplish so much. We've had 5 magazine titles under our umbrella of publications and have released over 300 issues. We have featured over 1,000 of the world's top models, thanks to our dedicated staff and world-class photographers. We are becoming more involved with musical artists and other entertainers and we have no plans on slowing down. I would like to personally thank everyone who has supported RHK ... it hasn't always been easy, but the journey has been a wonderful experience. I hope this year is one of our best yet!

As always, my goal is to make RHK Productions the BEST. If there is anything we can improve, please let us know by contacting us at submit@rhkempire.com.

Have a wonderful 2020!

Best regards,
Alexander Deal, CEO

I live in the panhandle of Florida! I have a passion for fitness, modeling, and animals. I love being outdoors and staying active.

Sexiest Feature?
My legs

A man wearing a white long-sleeved shirt and dark sunglasses is seated in the driver's seat of a car. He is looking down at his hands, which are positioned near the center console. The car's interior features dark leather seats with visible stitching. The center console has two cup holders and a gear shift area. The man is holding a small object in his hands, possibly a phone or a set of keys. The overall atmosphere is one of luxury and sophistication.

I am a United States Marine serving this country to give back. I was born in Peru, South America since the age of 12. At 12 years old, I was adopted by an American family where all my dreams came true. Everything I do has a purpose mentally and physically. My top two hobbies are staying fit in the gym and always using my Canon 5D Mark III camera to capture other people's special moments.

A full-body photograph of a woman with long dark hair, wearing a white long-sleeved crop top with a perforated pattern and white shorts with a black waistband. She is holding a thick metal chain that runs from her neck down to her hands. She is standing in a gym, with various pieces of equipment like racks and kettlebells visible in the background. The lighting is dramatic, with blue and red hues. The floor is dark and reflective.

I am Margaret Weishuhn and I have for the last three years worked as a photo model. I have an adoration for being in front of the camera. I mainly shoot fashion, swimwear, and artistic platforms such as conceptual art and paint. I am currently a freelance model working in the panhandle and areas surrounding. I am very tall (5' 10") with incredibly long legs that aid in swimwear and lingerie photos. I bring my bubbly personality and energy to every project I work on!

A woman with long, dark, wavy hair is posing in a purple, form-fitting, one-piece swimsuit. She is leaning against a white brick wall on the left and a white curtain on the right. Her right arm is raised, with her hand behind her head, and her left arm is extended forward, resting on the curtain. She is looking directly at the camera with a slight smile. The lighting is soft and even, highlighting her features and the texture of the wall and curtain.
